

HAKKIMIZDA

1980'de kurulan şirketimiz, sürekli gelişim ve AR-GE çalışmalarıyla ülkemizin kendi sektöründe en önemli üreticilerinden biri olmuştur. Şirketimizin merkez binası olan İstanbul Bayrampaşa'da ahşap ürünlerimiz 7.000 m² kapalı alandaki tesisimizde üretilirken, Çankırı Çerkeş fabrikamızda da metal ürünlerimiz son teknoloji ile donatılan 25.000 m² kapalı alanda ve TSE standartlarına uygun olarak üretilmektedir.

Ürettiğimiz başlıca ürünler olan depo rafları, market rafları ve mağaza ekipmanlarıyla birçok sektörün yanı sıra devlet kuruluşlarına ve birçok sanayi koluna hizmet vermekteyiz.

Çok yönlü çözümler geliştirerek keşif, projelendirme, üretim, montaj ve satış sonrası hizmet ile tüm süreçlerimiz uzman kadromuzla gerçekleştirilmektedir. Yurt içi ve yurt dışındaki bayilerimizle RAFTURK olarak çeşitli depo ve raf sistemlerimizle 90'dan fazla ülkeye ihracat ile üretim sağlıyoruz.

ABOUT US

Founded in 1980, our company has become one of the leading manufacturers in its sector through continuous development and strong R&D activities. Our headquarters is located in Bayrampaşa, Istanbul, where our wooden products are manufactured in a 7,000 m² indoor facility. Our metal products are produced in our Çankırı Çerkeş factory, which is equipped with state-of-the-art technology and operates in a 25,000 m² indoor production area in full compliance with TSE standards.

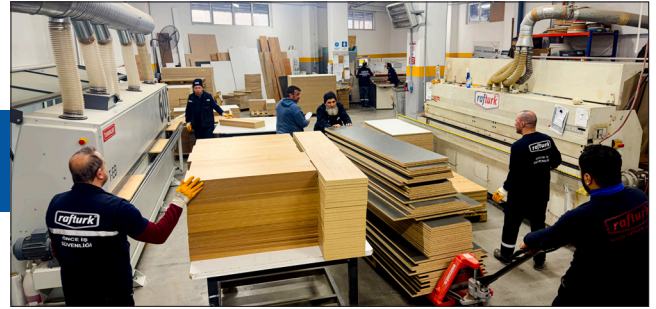

With our main product groups—including warehouse racking systems, supermarket shelving, and retail store equipment—we serve a wide range of industries as well as public institutions and various branches of the industrial sector.

By developing versatile and tailor-made solutions, all our processes—from site inspection and project design to production, installation, and after-sales services—are carried out by our expert team. As RAFTURK, together with our domestic and international dealers, we manufacture and export a wide range of warehouse and racking systems to more than 90 countries worldwide.
